

ITS
Institut
Teknologi
Sepuluh Nopember

<http://www.its.ac.id/>

Occupying a large area totaling 180 hectares as its main campus in Sukolilo, an area in the vicinity of east Surabaya, not only does ITS provide advantages for both excellent scientific activities and pleasant natural life environment, but it also has a very friendly atmosphere and enormous community spirit. The institute has long been maintaining its reputation for innovative and proactive relationships with industry and the public service.

ITS has several strategic research fields: Marine (Technology and Science), Housing and Settlement, ICT, and Energy. Various works of scientific and social significance produced by ITS students, graduates and staff have been dedicated to the community and industrial world to help them for economic and social benefits. This tradition of mutual trust and cooperation has been carried out to meet the institution's vision of social dedication and work.

Recognized as one of the best technology universities in Indonesia, ITS offers great and challenging career prospects to its graduates. Many of our graduates are occupying top position in business, as well as public organizations. Joining ITS means ensuring your head start in today's competitive job market.

	Student	85 Professor	Staff
2233 Diploma	13387 Undergraduate	174 Doctor	655 Master <small>204 is pursuing doctorate overseas</small>
1678 Master	321 Doctor	131 Overseas partner universities	Other
		1st Repositories of webometric rank	1st Technology university in EPI

STUDY FIELDS
S1=bachelor, S2=master, S3=doctor

Faculty of Industrial Technology

- Mechanical Engineering (Diploma, S1, S2, S3)
- Electrical Engineering (Diploma, S1, S2, S3)
- Chemical Engineering (Diploma, S1, S2, S3)
- Engineering Physics (Diploma, S1, S2)
- Industrial Engineering (S1, S2, S3)
- Material & Metallurgical Engineering (S1)

Faculty of Mathematics and Natural Science

- Statistics (Diploma, S1, S2, S3)
- Mathematics (S1, S2)
- Chemistry (S1, S2, S3)
- Physics (S1, S2, S3)
- Biology (S1)

Faculty of Marine Engineering (RINNA Accreditation)

- Marine Engineering (S1, S2, S3)
- Naval Architecture (S1)
- Offshore Engineering (S1)
- Double degree in Marine Engineering (S1)
- Product Design (S1)
- Regional & Urban Planning (S1)

Engineering Management Master Program

- Industrial Management
- Project Management
- environmental Engineering Management
- Information Technology Management
- Transportation Technology Management
- Maritime Business Management

Faculty of Civil Engineering and Planning

- Civil Engineering (Diploma, S1, S2, S3)
- Architecture (S1, S2, S3)
- Environmental Engineering (S1, S2, S3)
- Geomatics Engineering (S1, S2)
- Product Design (S1)
- Regional & Urban Planning (S1)

Faculty of Information Technology

- Informatics Engineering (S1, S2, S3)
- Information System (S1, S2)

We Also offer some joint degrees in cooperation with leading universities in Australia, Japan, Germany, Netherlands, and Taiwan. Moreover, some departements have international classes with English as medium of instruction.

Tuition Fee

(Per semester)

- Undergraduate: 10.000.000 IDR
- Master: 15.000.000 IDR
- Doctorate*: 18.000.000 IDR
(1 USD = 9500 IDR)

Intake

- August each year
- March each year (for several program)
- (*): Prior discussion with supervisor is required

FOOD

There are many traditional foods which has rich taste, stong and fragarant aroma, and also savory taste. Find out this dishes when come to Surabaya. Lontong balap, sate kerang, rujak cingur, semanggi, rawon, bebek goreng, sate klopo.

NATURE

CULTURE & PEOPLE

Surabaya has become the Metropolis city with numbers of diversities among the people, cultures, habits and way of living. Moreover, Surabaya nowadays is already become the center of business, commerce, industry, and education in eastern Indonesia. The majority of the population embraces Islam

HISTORY

Surabaya was build based on some phases of time. The first phase was coming from the time before the Dutch colonialism. Surabaya was once a gate to Majapahit Kingdom. The word of Surabaya was taken from the urban legend Suro or shark and Boyo or Crocodile.

SURABAYA

In Diversity Culture

Surabaya, provincial capital of East Java and Indonesia's second largest city.

Known as the "City of Heroes" because of its role in nation's independence struggle, has grown into an elegant city of large, colonnaded buildings bordering broad, tree shaded avenues. It serves as the commercial centre of athriving industrial and agricultural hinterland.
